VISION

OF THE

FEDERAL HEIGHTS FIRE DEPARTMENT

- Eliminate preventable fires, injuries and illnesses through public education, code enforcement and fire prevention programs.
- Minimize the adverse effects of fires, natural disasters, hazardous materials and other situations that threaten lives, property and the environment.
- Maintain and improve the quality of life of the people of the City of Federal Heights through the compassionate provision of medical services and transportation of the sick and injured to the appropriate medical facility.
- Mitigate consequences of natural and man-made disasters through pro-active planning and preparedness.
- Function as highly trained professionals who value teamwork and diversity that reflects the community we serve.
- Foster a work environment that values cultural differences, is free of harassment and discrimination, and provides innovative and effective leadership.
