

Federal Heights Home Page Images

Tuesday, 24 August 2010

Each month, several new images of our community are posted on our website. These images rotate on the Federal Heights Home Page for the month. Together, these pictures show many of the elements that make up our community. Neighborhoods, parks, people, businesses, buildings, amenities and community events are all showcased.

We invite you to take a second (and even a third) look at Federal Heights. Below are images from previous months:
